

JBBP Performing Arts Night

at Clarendon Auditorium

IMPORTANT! Seating Procedures for Audience Members

Due to overcrowding in the past at Performing Arts Night, the PAN Committee will again require Reserved Seating Tickets during the first half of the performance. The second half of the show, following intermission, is open for general seating. This will enable us to have a safe and orderly venue, and provide a fair system for the audience.

The ticket counter at the school lobby will open at 6:00pm on the evening of the performance. A maximum of two tickets per one adult will be distributed. Only 300 plus seats are available for reserved general seating (first half of the performance only). Tickets are distributed from front seats to back on a first come first serve basis. Tickets are free but you need to come to the ticketing table to get them. Distribution starts at 6pm but the line starts forming earlier. When auditorium doors open, guests with reserved seat tickets will be allowed in first, then non-ticket holders will be admitted. Non ticket holders can stand in the back and side of the auditorium.

If you are staying after intermission and want to keep your seat, please leave something on your chair during intermission. Many of the seats will be vacated and upper grade families will be coming in.

If your child is performing in the latter half of the show, you may drop off your child at 7:30pm at their class. If you choose to see the entire evening's performance, you may drop your child off at 6:30pm. Drop off times may change so please watch for updates. If classroom teachers request specific drop off times different from the above, they will send it out in classroom letters.

Note: Taking pictures of your child's memorable moment is a joy for parents. However, when you take pictures, please do not stand up from your seat, and try to limit your picture taking to essential moments only, so you do not block the view of other audience members. DVD of the performance is available for sale.
